

About us:

Stugi urban art and design, is a concept company specializing in designing our living urban environment. We design, manufacture, install and maintain urban furniture, playgrounds and sculptures for more than 15 years.

In this catalogue we offer municipalities and private companies a wide range of urban furniture made of galvanized steel, corten steel, concrete and wood.

Our Designer and Artist Gil Sadeh and his team, have created a new world of innovative urban design, unique and fascinating.
